### [가족과 함께 거주 기출문제]

1. Describe what your home looks like. Explain the floor plan and the number of rooms your home has. Please discuss what your home is like for me.
2. While at home, what is your typical routine? During the week and on the weekends, what types of things do you do?
3. Problems often happen in homes-unfinished projects, plumbing issues, etc. Discuss some of the issues that have occurred in your home.
4. Select one of the above mentioned problems and describe to me everything that occurred. When did this happen and what types of things created this problem? Then in detail discuss all of the steps that you did in order to solve this issue.
5. With my family, I currently live in a house in the United States. To find out more information about this home, ask me three to four additional questions.
6. Pretend that you want to buy new furniture for your house. Explain to a salesperson what you are looking for.
7. You discover a problem with the furniture that you bought. Call the store and explain the problem.
8. Have you ever had a problem with something you purchased for your house? Talk about what the problem was and how you solved the problem.
9. In the past five or ten years, discuss how family homes in your area have changed. Describe the differences between family homes today and homes from the time when you were growing up. In detail, what are some of the changing trends in homes you have seen?
10. Housing has become a prevalent topic in the news. Discuss some of the issues that the people in your area are discussing in regard to homes and housing. Identify what some of the greatest challenges or problems have been. What are individuals and different organizations doing to address these concerns and meet these challenges?

### [공원 가기 기출문제]

1. Do you have a favorite park? Describe this park by telling me what it looks like.
2. Discuss some of the things that you do when going to the park. What does a typical visit to the park consist of?
3. Describe your experience the last time you went to the park. In detail, explain which park you went to, what you did while there, and who went there with you. What went on during your visit?
4. Explain to me the story of an experience you had while going to a park. Maybe something comical, unexpected or interesting happened. Tell me all about that memory. Begin with some background about when and where this occurred, who you were with and what you were doing- and then describe to me the story of what happened that day to make that trip so unforgettable.
5. I enjoy going to the park as well. Please ask me 3 questions to learn more about the park that I go to.
6. Next weekend, a friend asks you to go to the park with him. Ask three to four additional questions in order to find out the pertinent details of this meeting.
7. You have just discovered that the park you are going to be visiting will be closed next weekend. Contact your friend to explain this situation and provide two to three alternatives to the issue.
8. Discuss one of your memorable experiences while visiting a park. Perhaps something wonderful, unexpected, or humorous happened. Explain this experience in detail. Who were you with, when and where did this situation take place, and what types of things did you do while there? Explain what things went on that day that made it particularly memorable.
9. Compare the activities that children do at the park as opposed to what the adults do while at parks. Discuss the many facilities at parks that are intended to accommodate both children and adults alike.
10. Take a minute to discuss issues facing today's parks. What are the largest challenges faced by public parks these days? Discuss what has caused these concerns. Explain some of the steps that are being taken to address these issues and to protect the parks or the people who enjoy them.

### [음악감상 기출문제]

1. Explain the types of music you enjoy listening to. Discuss some of your favorite bands, composers or musicians.
2. Explain where and when you tend to listen to music. Do you go to concerts or do you enjoy listening to music on the radio? Explain how you enjoy music.
3. Explain when you initially gained an interest in music. What types of music did you initially enjoy? Trace and discuss your musical interest from childhood until now.
4. Do you recall a particularly memorable occasion where you heard live music? Describe that experience in detail. When was it, where were you, who were you with, who did you hear, what happened, and specifically what made that performance so unforgettable or unique.
